

Indiana Elite and
American Health Network's
Bone & Spine Group
Announce Sports
Medicine Partnership

*bone
&
spine*

As the official medical provider for the team, American Health Network's bone & spine group will be responsible for providing orthopaedic and sports medicine care for the players and staff of the Indiana Elite AAU Basketball Association.

Using the latest treatments, our physicians help athletes regain function so they can quickly return to competition.

Brian L. Badman, MD
